AN APPEAL FOR HISTORICAL MATERIAL

(Members please read this circular letter.)

Books and pamphlets on American history, biography, and genealogy, particularly those relating to Illinois and the West; works on Indian tribes, and American archæology and ethnology; reports of societies and institutions of every kind, educational, economic, social, political, cooperative, fraternal, statistical, industrial, charitable; scientific publications of states or societies; books or pamphlets relating to all wars in which Illinois has taken part, especially collections of material relating to the great world war; privately printed works; newspapers; maps and charts; engravings, photographs; autographs; coins; antiquities, encyclopædias, dictionaries, and bibliographical works. Especially do we desire

EVERYTHING RELATING TO ILLINOIS

1. Every book or pamphlet on any subject relating to Illinois, or any part of it; also every book or pamphlet written by an Illinois citizen, whether published in Illinois or elsewhere; materials for Illinois history; old letters, journals.

2. Manuscripts; narratives of the pioneers of Illinois; original papers on the early history and settlement of the territory; adventures and conflicts during the early settlement, the Indian troubles, or the great rebellion or other wars; biographies of the pioneers; prominent citizens and public men of every county, either living or deceased, together with their portraits and autographs; a sketch of the settlements of every township, village, and neighborhood in the State, with the names of the first settlers. We solicit articles on every subject connected with Illinois history.

3. City ordinances, proceedings of mayor and council; reports of committees of council; pamphlets or papers of any kind printed by authority of the city; reports of boards of trade and commercial associations; maps of cities and plats of town sites or of additions thereto.

4. Pamphlets of all kinds; annual reports of societies; sermons or addresses delivered in the State; minutes of church conventions, synods, or other ecclesiastical bodies of Illinois; political addresses; railroad reports; all such, whether published in pamphlet or newspaper.

5. Catalogues and reports of colleges and other institutions of learning; annual or other reports of school boards, school superintendents, and school committees; educational pamphlets, programs and papers of every kind, no matter how small or apparently unimportant.

6. Copies of the earlier laws, journals and reports of our territorial and State Legislatures; earlier Governors' messages and reports of State Officers; reports of State charitable and other State institutions.

7. Files of Illinois newspapers and magazines, especially complete volumes of past years, or single numbers even. Publishers are earnestly requested to contribute their publications regularly, all of which will be carefully preserved and bound.

8. Maps of the State, or of counties or townships, of any date; views and engravings of buildings or historic places; drawings or photographs of scenery; paintings; portraits, etc., connected with Illinois history.

9. Curiosities of all kinds; coins, medals, paintings; portraits; engravings; statuary; war relics; autograph letters of distinguished persons, etc.

10. Facts illustrative of our Indian tribes—their history; characteristics, religion, etc., sketches of prominent chiefs, orators and warriors, together with contributions of Indian weapons, costumes, ornaments, curiosities, and implements; also stone axes, spears, arrow heads, pottery, or other relics.

It is important that the work of collecting historical material in regard to the part taken by Illinois in the great world war be done immediately before valuable material is lost or destroyed.

In brief, everything that, by the most liberal construction, can illustrate the history of Illinois, its early settlement, its progress, or present condition. All will be of interest to succeeding generations. Contributions will be credited to the donors in the published reports of the Library and Society, and will be carefully preserved in the State house as the property of the State, for the use and benefit of the people for all time.

Communications or gifts may be addressed to the Librarian and Secretary.

(MRS.) JESSIE PALMER WEBER.
